

The future of our state and this republic rests in our hands

# The Citizen Farmers

It's time to lead!

## OUR STORY

Leadership has been integral to the growth and evolution of the United States, with civic organizations and engaged citizens driving growth, innovation and a focused society. For several decades, this citizen led leadership and its impact has declined, and we are left with confusion and uncertainty in addressing our greatest challenges. As a society, we are left adversely affected by self-interest and a lack of focus. A rebirth of The Citizen Farmer is required!

## OUR MISSION

We are recruiting 10,000 families of purpose across America to change the trajectory of our republic over the decades to come.

## OUR VISION

Through our engagement together, we are recruiting the future leaders America from your families

We are focusing with consistency on improvising our own communities

We are supporting the development of permanent always on grassroots assets and infrastructure

## OUR INSPIRATION

There was a time when our most successful and inspiring citizens took an active role in our politics. Entrepreneurs built and then served and then returned to building again. From Cincinnatus in Rome, to George Washington in the U.S., and beyond, republics are always built and then sustained on the foundation of strong citizen leadership. This spirit of civic engagement requires renewal.

## WHY THE NAME?

We are reawakening civic virtue and responsibility amongst our best and brightest citizens while channeling this energy toward the stewardship and redevelopment of always on grassroots organizations in support of free enterprise, free markets, and free people.

## WE BELIEVE

If you take an active role in your citizenship, together we can:

Reinstill a foundational feeling of safety and security in our communities, freeing our citizens to live, grow, and lead their lives as they see fit

Ensure world class educational and economic opportunities propelling the continued preeminence of our country's citizenry

Reimagine a system encouraging growth and endless possibilities not saddling us with obstacles

## WHY CHOOSE US?

Do you represent entrepreneurial spirit, audacious goals, achievement, and reinvestment in this land we all share as a home?

Do you believe in the need for intentional and consistent actions to ensure fulfillment? Do your spouse and children feel this same sense of urgency, responsibility, and discipline or do you need a little support in this effort?

We're bringing a focus on community and country to your life every day. Give us a minute a day, an hour a month, and a day a year and we will change this country together!

# WHY MICHIGAN?

With the right leadership in place, Michigan can be a driving force behind the American Dream! You represent the best of Michigan.

- Michigan is truly exceptional, blessed with diverse landscapes and **abundant freshwater** sources, essential for our thriving agriculture and fisheries industries.
- Our strategic geographic positioning, nestled at the **heart** of the Great Lakes region, adds immeasurable value to our state, particularly for our **automotive** and advanced **manufacturing** sectors.
- Michigan's **extensive infrastructure** seamlessly connects our diverse industries, from automotive manufacturing to healthcare, further solidifying our position in the Midwest.
- Michigan hosts a robust array of industries, including automotive manufacturing, healthcare, information technology, and tourism, with 29 Fortune 1000 HQ's.
- Renowned universities and the bustling cities of Detroit, Ann Arbor, and Grand Rapids, with a growing tech sector, make Michigan a hub for innovation and education, attracting talent and driving economic growth in our key sectors.
- The people of Michigan embody a unique blend of **resilience** and "Midwestern values," crucial attributes for success in our state's thriving industries. As a **melting pot** of diverse cultures and backgrounds, Michigan's future promises to be a beacon of prosperity and innovation for our nation.

We are dedicated to incubating a new generation of leadership and rebuilding credibility amongst our citizens in support of these leaders. This leadership is essential for the future of Michigan and for the future of our nation.
